Gen. Stoneman Resigns for the Retired List.

New York, 28.—Washington special says one of the first acts of General Sherman, yesterday, as acting secretary of war, was to sign the acceptance of the resignation of Gen. Geo. Stoneman as colonel on the retired list of the army. Gen. Stoneman is the democratic candidate for governor of California, and is a man of wealth. He is largely engaged in agricultural enterprises, and has an income of \$8,000 or \$9,000 a year. He can therefore afford to relinquish \$3,000 which he receives as a retired colonel, but such an act is almost unprecedented. General Stoneman graduated from the military academy in 1846, and has been an officer of the army continuously to the present time. At the outbreak of the war he was a major in the First Cavalry. He became a brigadier-general of volunteers in August, 1861, and major general the following year. He served with distinction as a general officer during the rebellion, and at the close of the war became a colonel of the Twenty-first Infantry. He retired on account of disabilities in 1871.

Miscellaneous.

Newton, Kas., 28.—What appears to be a general rain throughout central and western Kansas has set in. The Evangelical church, at the south end of this city, was demolished during services by a cyclone last evening. No one was injured.

Richmond, Va., 28.—The tariff commission is in session here.

Peoria, Ill., 28.—The board of trade adjourned on account of the state fair. No market.

Washington, 28.—The treasury department, to-day, purchased 145,000 ounces of fine silver for delivery at Philadelphia, New Orleans and San Francisco mints.

titled at Last—Cholera.

City of Mexico, 28.—Yesterday a treaty was signed by Morisco, Mexican secretary of foreign affairs, and Herrero, Guatemalan minister, definitely establishing the boundary between the two countries. The line proposed many years ago by Mexico was accepted. There were evidences of cholera or cholera morbus in the state of Chiapas. There were twenty-eight deaths in Arista, a population of 5,000, in one day. The government has taken measures to prevent the spread of the epidemic. Quarantine is established. There is alarm in the infected region.

Burglars Break Jail.

Mercer, Pa., 28.—Five expert burglars and crooks, in jail for robbing the express office at Greenville, escaped. They suddenly seized and bound the guard, gagged him and put him in a cell, forced the other prisoners into cells with revolvers, seized the turnkey as he entered, locked him in a cell, took the keys from him, passed out, bound and gagged the sheriff's wife, and fled.

The "Jeannette."

Washington, 28.—Secretary Chandler had an interview of some length, this morning, with Engineer Melville, Lieutenant Danenhower and Ninderman. All relics and records of the Jeannette expedition that have been in the custody of Melville, were formally turned over. The investigation concerning the loss of the Jeannette will begin on October 5th.

Political Row.

Charleston, S. C., 28.—Lancaster special: At a political meeting yesterday, a row began between a white man and a negro, and some indeterminate pistol shooting was done, but no one was hurt. Soon after a posse of negroes rode up, and a general row resulted, in which four colored men were killed, and a large number wounded.

Strike.

Chicago, 28.—Conductors and drivers employed by the North Division Street Railway Company, struck this morning at 10 o'clock, and all cars in that division were stopped. The trouble was of wages but of hours. A short time ago the company employed a new superintendent who, as the men claim, increased their hours of labor unreasonably.

The President.

Poughkeepsie, 28.—President Arthur passed here last night in a special car, from Clayton, on the Utica and Black River Railroad.

New York, 28.—President Arthur arrived this morning.
